N O T E: This will be your last issue of Timber Talk unless you have paid your 1988 dues! Don advises that a number of you have not yet renewed. If you do not have a 1988 Membership Card, please remit your dues TODAY to avoid being removed from the mailing list. Your cooperation is appreciated. If for some reason you are not renewing, please let Don or the Editor know your reasons. You may have some constructive ideas that may benefit CAWMC. Thanks.

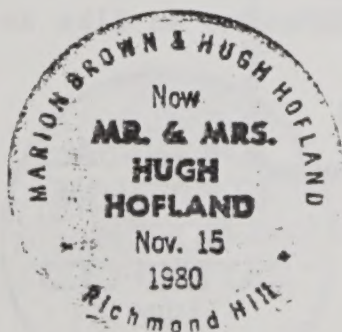

NEW WOODS: There must be a number of woods being issued. However, very few are finding there way for publication in Timber Talk. Thanks to those that do forward the information. Now if a few more of you will do the same it will make our newsletter more interesting.

TICF/ONA WOODS: A number of woods surfaced at the recent show in Toronto and will be shown in the next issue of Timber Talk. By then I should have copies of most of them.

SNOW STORMS: In the past few weeks there has been a number of snow storms around parts of North America. This is a lead in to say that a few more Christmas woods are shown later in this issue.

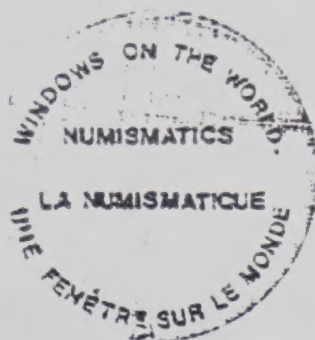

ARTICLES: (Yes you have read this before!) We are in constant need of articles. You don't want one person doing all the writing. How about writing a short article and sending it for editing and publication. It doesn't have to be long or involved - just share a few words about wood.

FREE WOOD OF THE MONTH: The following wood, printed in black, was donated by Norm Belsten. Thanks Norm.

COIN WEEK CANADA 1988 WOOD: Stan Clute, Chairman Coin Week Canada 1988, P. O. Box 2082, High River, Alberta T0L 1B0 Canada is responsible for this years CWC wood. It is hot-stamped in blue and promotes the theme "Windows on the World."

PEI FLAT: Article and photocopy courtesy of Jerry Remick

Mel Boone, owner of Boone's Stamps, situated near Charlottetown, Prince Edward Island, has issued a 2 1/2" x 4" wood flat that is good for \$1.00 at anytime. He produced the wood flat himself and numbered them on the reverse side from 1 to 100. The obverse side shows a Tracker Aircraft (the RCAF Roundel) in the upper left hand corner. The name, address and business telephone number of Mel's business are opposite the plane. Below is inscribed "STAMPS, FDC'S, POSTCARDS / PEI POSTAL HISTORY & POSTCARDS A SPECIALITY." The reverse side shows an outline map of PEI and above it "VALUE - ONE WOODEN DOLLAR / GOOD ANYTIME." The serial number is in the lower right hand corner. (Number '1' on the wood illustrated below this article.) The wood is available at \$4.60 Canadian postpaid from Mel Boone, P. O. Box 284, Selmon Park, P. E. I. COB 2A0 Canada. Mel is planning on issuing a series of woods, each with a different aircraft from the base at Canadian Forces Base, Summerside, P. E. I.
